IS THE ANIMAL REGISTERED WITH ANY OTHER ISSUING AUTHORITY? <i>*(if it transpires that the animal is registered with another PIO in Ireland, fees will not be refunded)</i>		<input type="checkbox"/> <input checked="" type="checkbox"/> NO* <input type="checkbox"/> <input checked="" type="checkbox"/> YES	
Note Regarding Colour: (to qualify for entry into The Irish Piebald & Skewbald Studbook, the equine must meet the minimum coloration requirements or be descended from equine already registered in the studbook and where pedigree is proven by dna typing)			
Piebalds are black and white only. Any brown markings particularly on the muzzle or under the belly will mean the horse is dark brown and it should be registered as a skewbald.			
Skewbalds are any other colour and white. e.g. Bay chestnut, Dark Roan and Palomino etc, with white. The white markings must be on the main body and / or neck and not just in isolation on the mane, tail, legs, and face or underneath the belly.			
BREEDER DETAILS: (details will appear in the passport)		<input type="checkbox"/> <input checked="" type="checkbox"/> (Same as Presenter / Keeper above) <input type="checkbox"/> <input checked="" type="checkbox"/> (Same as Owner above)

Dam:	Breed Society	Registration Number
Gr. Sire	Breed Society	Registration Number
Gr. Dam	Breed Society	Registration Number

APPLICATION CHECKLIST:

- ✓ Markings completed by identifying Vet as per FEI guidelines &
 ✓ Compliant transponder implanted where none pre-existed.
 ✓ This application form completed in full & signed by applicant.
 ✓ For verified parentage you must enclose with this application:
Dna SAMPLE and Mares Passport Details.

Return Delivery:

Cost of standard postage is included in registration fees, however risk of loss is entirely borne by the applicant unless recorded return delivery is requested by and paid for by the applicant.

Note:

Handwritten Microchip numbers may delay processing times so as to allow checking with other Passport Issuing Authorities.

Incomplete or Incorrect applications requiring referral or return may incur additional administration fees.

An equines Identification Document must be applied for within 6 months of birth, equines who have not had their Identification Document issued within 12 months of birth will not be suitable for slaughter for human consumption and will be classified accordingly in Section II Part II of the Identification Document.

For verified parentage applications, delays can ensue awaiting results back from the DNA lab.
